

**GLOBAL HEALTH
PROGRESS**

Collaborating for a
sustainable future

Global Health Progress is a new, **interactive knowledge hub** highlighting collaborations between the innovative biopharmaceutical industry and our cross-sector partners to **support the Sustainable Development Goals (SDGs)**

EXPLORE PROGRAMS BY SDG TARGET, DISEASE AREA, PROGRAM STRATEGY, AND MORE, AND REGISTER YOUR INTEREST TO PARTNER ON NEW COLLABORATIONS IN LOW- AND MIDDLE-INCOME COUNTRIES.

→ **FIND OUT MORE:** globalhealthprogress.org @GlobalHealth
